"German Syrup"

Mr. Albert Hartley of Hudson, N. C., was taken with Pneumonia. His brother had just died from it. When he found his doctor could not rally him he took one bottle of German Syrup and came out sound and well. Mr. S. B. Gardner, Clerk with Druggist J. E. Barr, Aurora, Texas, prevented a bad attack of pneumonia by taking German Syrup in time. He was in the business and knew the danger. He used the great remedy—Boschee's German Syrup—for lung diseases.
